

## Statement of Research with Human Participants

This form and copies of required approval letters must be submitted to the Office of Graduate Studies at the time of submitting final paperwork for graduation. However, all research projects with human participants conducted by students associated with The University of Texas at Austin must receive approval before the research begins.

Please check one box:

- My research does not involve human participants. (No other forms are required.)
- My research does involve human participants and attached is the IRB approval letter.
