

PETITION FOR LEAVE OF ABSENCE
(FOR DOCTORAL STUDENTS IN CANDIDACY)

This form is only for requesting a leave of absence for **students admitted to doctoral candidacy**. It must be accompanied by a letter from the Graduate Adviser specifying the reasons why a leave is requested and returned to the Graduate School prior to the semester for which the leave is granted. **Returning students are still required to submit the Application for Readmission, but readmission to their program is automatically approved and the application fee is waived.**

Students on leave are not enrolled and, therefore, may not use any University facilities or resources; nor are they entitled to receive advice from any member of the faculty. A leave of absence does not alter the time limits for degrees or coursework.
