SUMMIT SPONSORSHIPS

SPONSORSHIP LEVELS

2019 INVESTMENT

PLENARY

You will receive an opportunity to bring greetings during a plenary session, a large floor plan booth during the exhibitor fair, a one hour presentation during a breakout session, and co-branding on event materials and promotions.

10,000

WiFi

WiFi sponsors will provide funding for internet connectivity during the event. You will receive WiFi coverage bearing your organization's name, a large floor plan booth during the exhibitor fair, a one hour presentation during a breakout session, and co-branding on event materials and promotions.

10,000

EDUCATOR AWARD OR MINI-GRANT

Awards recognizing Change Makers in CS education and Mini-Grants to innovative classroom projects will be presented on the first day of the Summit and will be co-branded with your organization. Representatives from your organization will be invited to present the awards to the winners.

SOLD OUT

PROGRAM

Program sponsors make a continued commitment to improving CS education throughout the year, not only at the Summit. Gifts at this level help support the research, design, and implementation of new professional development for teachers, as well as long term data collection and evaluation of the impact of WeTeach_CS and other CS education initiatives. Unique Summit opportunities are available in this category of sponsorship.

15,000+

SUPPORT THE UT STEM CENTER

The University of Texas at Austin STEM Center is the parent organization of **WeTeach_CS**. The Center is engaged in innovative STEM research through the College of Education and provides independent evaluative services to academic and governmental institutions. We welcome all levels of support for the continuing work of the Center.
